From: _____

Oahu SPCA was founded to save the lives of companion animals across Hawai'i and became the state's first no-kill animal shelter. Our mission is simple, that "every healthy, treatable animal find a forever home."

For more than 15 years, we've worked to improve the lives of homeless, abandoned, and abused animals—becoming more than just a shelter.

Oahu SPCA is a true community hub, where families volunteer, learn responsible pet care, and access the island's most affordable spay/neuter and veterinary services, helping to humanely reduce pet overpopulation.

EMERGENCY VET CARE

Every dog and cat deserves a second chance. So, when an animal arrives in crisis, every moment matters. Oahu SPCA must be ready to act—providing comfort, care and sometimes emergency medical intervention or specialized urgent care.

This symbolic gift supports lifesaving care for countless animals in need this holiday season.
